PRAYER OF WOODS

I am the heat of your hearth on the cold winter nights
The friendly shade screening you from the summer sun
and my fruits are refreshing draughts quenching
your thirst as you journey on
I am the beam that holds your house
The board of your table, the bed on which you lie
and the timber that builds your boat
I am the handle of your hoe, the door of your homestead
The wood of your cradle, and the shell of your coffin
I am the bread of kindness and the flower of beauty
Ye who pass by, listen to my prayer
HARM ME NOT
